TransRe Munich Hosts Discussion Of Liability Developments

3rd Munich Forum Focuses On Drones/UAVs, Autonomous Vehicles/Telematics, Cyber: Attracts Significant Customer Interest and Support

NEW YORK, N.Y., May 4, 2016 – TransRe’s Munich office recently hosted over fifty local customers, brokers and academics to discuss the latest casualty/liability developments, from both an underwriting and claims perspective.

The objective of the forum was to bring together local distinguished guests with TransRe’s global experts on such topics as:

- autonomous vehicles and telematics
- drones/UAVs
- Cyber developments
- 3D/4D printing for manufacturing

In addition to TransRe speakers, Manfred Wolff (CEO of CreditPass, a tech firm focused on online payment security) addressed the audience on the subject of the Internet of Things and its potential for new claims.

Feedback from the participants was extremely positive, and TransRe Munich will continue to bring thoughtful, insightful and practical analyses to the attention of its clients.
