

Since 1977 we have been a leading international reinsurer that combines global reach with local decision making to deliver first class solutions. Our customer and broker relationships are based on years of trust and experience. We have a flat organization structure that combines a strongly rated balance sheet with a willingness and ability to pay claims consistently. We operate through a network of 25 offices globally and proudly take a hands-on approach to write every product in every jurisdiction with a promise not to compete with our clients.

Our Vision Is to be the first-choice provider of reinsurance to our clients worldwide. We strive to create unmatched value for our customers, colleagues, business partners, and shareholders as we contribute to the growth of sustainable, prosperous communities. We achieve this through our Core Values:

<i>Experience</i>	<i>The foundation of our trust-based relationships</i>
<i>Expertise</i>	<i>The basis of our timely, value added insight and support for our customers</i>
<i>Accessibility</i>	<i>All lines of business, all over the world</i>
<i>Strength</i>	<i>An ability and willingness to pay claims</i>
<i>Integrity</i>	<i>We do not compete with our customers</i>

We have the following job opportunity available in our **New York City** office:

State Regulatory Compliance Analyst

Description

This position reports to the Deputy General Counsel and oversees and coordinates all state regulatory and federal regulatory/licensing/compliance filings for three domestic property and casualty insurance companies and an insurance holding company. Responsibilities include the following:

- Prepare, review and track all filings and manage a staff of 2.
- Filings include Annual, Quarterly and Supplemental statements and exhibits, data calls and other reports.
- Works as part of a team in coordinating with Accounting, Underwriting, Claims, and Risk Management departments.
- Oversees maintaining a data base of required filings.
- Coordinates with vendors for premium taxes filings and agent appointments.
- Works with colleagues outside the USA as needed to meet local regulatory requirements.

Requirements

- 5+ years of Insurance regulatory experience
- 2+ years of experience with a primary insurance company. Reinsurance experience is a plus
- Supervisory experience desirable
- Associates degree with coursework in compliance, risk management, business and or other related
- Self-motivated team player with the ability to solve problems, make decisions, exercise good judgment, and work independently.
- Ability to multitask, highly organized and detail oriented.
- Excellent oral and written communication skills with the ability to effectively interact and communicate with co-workers and insurance regulators.
- Ability to learn rapidly and adapt quickly to change
- Good computer skills (MS Office).
