

Since 1977 we have been a leading international reinsurer that combines global reach with local decision making to deliver first class solutions. Our customer and broker relationships are based on years of trust and experience. We have a flat organization structure that combines a strongly rated balance sheet with a willingness and ability to pay claims consistently. We operate through a network of 25 offices and proudly take a hands-on approach to write every product in every jurisdiction with a promise not to compete with our clients.

Our Vision is to be the first-choice provider of reinsurance to our clients worldwide. We strive to create unmatched value for our customers, colleagues, business partners, and shareholders as we contribute to the growth of sustainable, prosperous communities. We achieve this through our Core Values:

*Experience
Expertise
Accessibility
Strength
Integrity*

*The foundation of our trust-based relationships
The basis of our timely, value added insight and support for our customers
All lines of business, all over the world
An ability and willingness to pay claims
We do not compete with our customers*
