We have the following job opportunity in our **New York City** office:

Senior Internal Auditor

Description

As a member of the Audit Department the Internal Auditor is responsible for performing individual internal audit projects, as part of the total internal audit plan. This responsibility includes developing internal audit scope, performing internal audit procedures, and preparing internal audit reports reflecting the results of the work performed. Work performed will include coverage of functional and operating units and focusing on financial, IT, and operational processes. Additionally, the senior internal auditor performs follow-up on the status of outstanding internal audit issues. The senior internal auditor will also assist when needed, internal audit management with periodic reporting to the audit committee, development of the annual internal audit plan, perform testing of Sarbanes Oxley ('SOX') controls and champion internal control and corporate governance concepts throughout the business. The senior internal auditor may direct and review the work performed by other internal audit personnel, including resources from the co-sourcing firm.

Requirements

- 5-10 years of public accounting and/or private industry experience with knowledge of accounting, finance and internal control areas
- Understanding of internal control concepts and experience in applying them to plan, perform, manage and report on the evaluation of various business processes/areas/functions
- Ability to work independently, with limited required direction and guidance, and provide appropriate direction to other internal audit project team members

We support diversity in the workplace. We are an Equal Opportunity Employer.

- Strong verbal and written communication skills, to effectively present to peers and management
- Exhibit the leadership skills needed to sell ideas and obtain management buy-in for constructive change
- Understanding of internal auditing standards, COSO and risk assessment practices
- Understanding of the technical aspects of accounting and financial reporting
- Experience in performing multiple projects and working with varying team members
- Undergraduate degree in accounting/finance
- CPA/CIA designation
- Prior insurance or reinsurance industry experience is a plus
