

## **Senior Surety Underwriter**

We have the following job opportunity in our **Miami, Florida** office:

### **Description**

The Senior Surety Underwriter will manage a crucial book of business in the Latin American region within the global underwriting function. Responsibilities required of this role include, but are not limited to:

- Managing the existing surety portfolio segment in Latin America
- Conducting the renewal, development and monitoring of the portfolio
- Marketing with our brokers and clients during market visits and during industry conferences
- Analyzing all surety treaty and facultative offers
- Liaising with other product line heads in NY and Europe, providing quarterly reporting on market conditions, overall profitability of the portfolio and working closely with claims, actuarial and underwriting of other product lines
- Accumulating aggregate control by principal, by cedent, by country and by underwriting year
- Tracking exposure across principals and across other group units to ensure exposure is within tolerance levels

### **Requirements**

- Minimum 10 years experience in surety underwriting in the Latin American market
- Written and oral fluency in both English and Spanish, Portuguese a plus
- Strong background in Financials to include but not limited to balance sheet, income statement, statement of cash flows and ability to read financial statements provided by our brokers and clients
- Travel up to 30% of the time to industry conferences and main client regions in Latin America
- Strong knowledge of Excel, Power Point, MS Teams

Work schedule will be hybrid with approximately 3 days in the office and the remainder remote
