

## **Senior Underwriter - Cyber**

We have the following job opportunity in our **New York City** office

### **Description**

The Senior Underwriter will support the Facultative Underwriting Team at TransRe. This will be a highly visible role with exposure to upper management within the underwriting team. The small size and agility of the team will allow the new hire to learn from experienced underwriters and get their hands on much of the work happening within the team. Responsibilities will include but not be limited to:

- Cyber liability and non-medical professional liability underwriting
- Managing existing TransRe client & broker relationships and develop new sources of production
- Staying up to date on industry dynamics and policy form coverages
- Collaborating with underwriting, actuarial and claims teams as needed
- Traveling up to 15% of the time for client meetings and broker marketing

### **Requirements**

- 2-6 years of Management/Professional liability underwriting experience, Cyber preferred
- Ability to handle a book of business across several product lines
- Proven track record of developing new business relationships
- Ability to analyze balance sheets, income statements and cash flow statements
- Ability to identify micro & macro business industry trends and evaluate their impact on exposure
- Proficient in Microsoft excel and familiarity with financial software (e.g. Fact Set, SNL)

Work schedule will be hybrid with approximately 3 days in the office and the remainder remote
