

Actuarial Assistant / Analyst

We have the following job opportunity in our **New York City** office:

Description

The Actuarial Assistant/Analyst will work within our Property Pricing team and will report to the Senior Pricing Actuary. This role is well suited for someone eager to develop actuarial and analytical skills in a collaborative environment while gaining hands-on exposure to property insurance and reinsurance pricing. Responsibilities required of this role include, but are not limited to:

- Supporting the pricing of property reinsurance treaties and facultative programs
- Working closely with underwriters, actuaries, and technical specialists to analyze risk and support pricing decisions
- Working with property catastrophe models, including handling large datasets and interpreting model outputs
- Using catastrophe model results and other analytical inputs to help structure and evaluate various property products
- Assisting with portfolio analysis, business performance measurement, and risk insights
- Contributing to quarterly reserving and profitability reviews
- Supporting actuarial parameter studies such as loss trends, loss development factors, and increased limits factors
- Participating in ad-hoc actuarial and analytical projects as opportunities arise

Requirements

- 0–3 years of experience in an actuarial, analytical, or related role
- Interest in property insurance, reinsurance, and pricing analytics
- Progress toward actuarial exams, commensurate with experience level
- Proficiency in Excel, including working with large datasets using PivotTables and PivotCharts, common analytical functions (e.g., XLOOKUP or INDEX/MATCH, SUMIFS, IF/IFS), and building clear charts and well-structured models
- Familiarity with Power Query and basic automation (such as macros or VBA) is a plus, but not required
- Exposure to property catastrophe modeling tools or large-scale analytical datasets is beneficial but not expected
- Experience with additional tools such as Python, SQL, or other data platforms is helpful but not mandatory

Work Schedule

TransRe is supportive of an agile work schedule, which may differ based on individual roles, your local office's practices and preferences marketplace trends, and TransRe's business objectives. This position is located in our New York City office and is eligible for a hybrid work schedule with 3 days in the office per week, and 2 days remote.

Compensation

In addition to base salary, for this position, TransRe offers a comprehensive benefits package, paid time off, and incentive pay opportunity. The anticipated annual base salary range in New York for this position, exclusive of benefits, paid time off, and incentive pay opportunity is \$80,000 – \$100,000. This range is an estimate and the actual base salary offered for this position will be determined based on certain factors, including the applicant's specific skill set and level of experience.
